WHAT'S STOPPING YOU?

Bill Simpson

DEMONSTRATING HIS FLAME-RESISTANT RACING SUIT

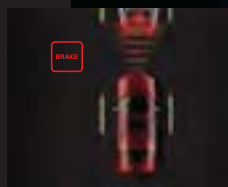

SAFE TO THE EXTREME

Professional stunt person. Do not attempt.

THE 2014 Mazda3

UP TO AN EPA-ESTIMATED 41 HWY MPG*, STARTING AT \$16,945[†]

i-ACTIVSENSE

Some people go to extremes in the name of safety. Bill Simpson, inventor of the flame-resistant racing suit, is one of them. An extreme commitment to safety is the Mazda Way. It's why the 2014 Mazda3 comes with available laser sensors, radar and micro cameras that see, sense and alert you to hazards. The available i-ACTIVSENSE system is a class-exclusive suite of eight advanced safety features[‡] including Blind Spot Monitoring[™] and Smart City Brake Support^{††} which—at low speeds—automatically applies the brakes when it senses a potential front-end impact.

When it comes to safety, you can't go too far. The 2014 Mazda3 makes everything possible. What do you drive?

Mazda3 s Grand Touring 4-Door model shown with 2.5L engine and Technology Package, EPA-estimated 28 city/39 highway MPG. Actual results will vary. [†]Starting at \$16,945 MSRP plus \$795 destination (Alaska \$840) for Mazda3 i SV 4-Door with manual transmission. Mazda3 s Grand Touring 4-Door model shown, \$26,295 MSRP plus \$795 destination (Alaska \$840). MSRP excludes taxes, title and license fees. Actual dealer price will vary. See dealer for complete details. [‡]Based on comparison of non-luxury compact vehicles as categorized by *Automotive News*, 2012. [™]Always check your mirrors. Be aware of the traffic around you. ^{††}Smart City Brake Support operates under certain low-speed conditions. It is not a substitute for safe and attentive driving. Factors including movement and shape of the object in front of the vehicle, weather and road conditions can all impact automatic stopping.

Dear SCCA Media Partners,

Welcome to what is truly a new era of the Sports Car Club of America, as the SCCA National Championship Runoffs heads west for the first time in 46 years to Mazda Raceway Laguna Seca.

This event, made possible with the help of our friends and partners at Mazda and the Sports Car Racing Association of the Monterey Peninsula (SCRAMP), was met with questions at its announcement that have been answered in a big way, with more than 530 drivers on the entry list and a rejuvenation of the west coast program all season long. While we haven't been west of the Rockies since Riverside International Raceway in 1968, it's hard to believe it will be that long before we return again.

The question on everyone's mind, even more than usual, is who is going to win? Are there hidden gems on the west coast who may be making their first Runoffs appearance that will make a name for themselves on the national stage, or will the traditional contenders learn a new track quickly enough to hold their titles? My guess is that we'll see some of each.

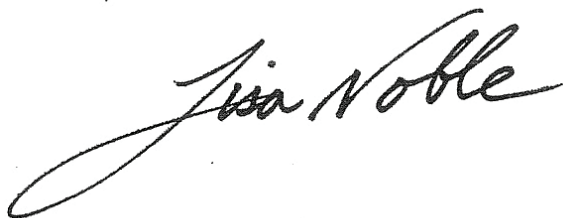

As you know, this is the first year of a rotation of Runoffs sites. Following our visit to Mazda Raceway Laguna Seca, we'll visit Daytona International Raceway in 2015 and Mid-Ohio Sports Car Course in 2016. After that? It hasn't been decided, but I expect that the rotation will continue.

In the meantime, there are plenty of available stories out there featuring our SCCA superstars, both on and off the track. Our staff can help you track them down for you, and put you in touch with fantastic stories and great interviews, should you need it.

If you have any additional questions about SCCA Club Racing or the past or future of the SCCA National Championship Runoffs, please don't hesitate to ask our Communications department.

On behalf of the 60,000 members of the Sports Car Club of America, welcome to history in the making as we begin the 51st SCCA National Championship Runoffs.

Sincerely,

A handwritten signature in black ink that reads "Lisa Noble". The signature is fluid and cursive, with a large loop at the end of the last name.

Lisa Noble
President/CEO
Sports Car Club of America

WHAT IS SCCA®?

Sports Car Club of America, Inc. was founded 67 years ago by a group of amateur motorsports enthusiasts and today boasts nearly 45,000 members. SCCA now sanctions more than 2,000 amateur and professional motorsports events each year. With 114 regional chapters covering the entire United States, Guam and Puerto Rico, SCCA provides true grassroots participation and is the largest active motorsports membership organization in the world. Local events at nearby circuits remain the backbone of club activities. SCCA's volunteer staff provides everything from course marshaling to timing and scoring, at both club and professional events.

In addition to Club Racing, SCCA is the home to Pro Racing, RallyCross, Solo and RoadRally, all of which offer a wide variety of amateur and professional motorsports competitions. SCCA Enterprises, a wholly owned subsidiary of SCCA, constructs and maintains two cars, the venerable SCCA Spec Racer Ford, a single-seat sports racer that is one of Club Racing's most popular classes, as well as the Formula Enterprises open-wheel machine.

SCCA's Club Racing program is designed to fulfill the need of the "amateur athlete." It is a comprehensive, nationwide program featuring races held throughout the year that cater to the driver who perhaps prefers to test his or her skill on a part time basis, rather than compete full-time on SCCA's professional circuits. Nevertheless, because the competition at the club level is so fierce, many professionals also participate in this program to further hone their skills and compete at SCCA's National Championship Runoffs.

The amateur road racing program is administered by SCCA's Club Racing Department. A full staff of SCCA personnel handles the needs of the amateur race car driver, including driver's schools to help a new racer earn his or her license, a Regional racing program for those just starting out, Performance Driving Experiences and the U.S. Majors Tour, the highest level of amateur road racing in North America.

Club Racing is an integral part of SCCA. Nearly half of the membership is involved on the amateur level, either as drivers, crew, workers or officials. More than 7,000 SCCA members hold competition licenses allowing them to compete within SCCA's Club Racing programs.

BFGoodrich Tires

BFGoodrich[®] Tires In 2011, SCCA announced a multi-faceted partnership with BFGoodrich[®] Tires naming BFGoodrich Tires the “Official Street Tire” of SCCA and the title sponsor of the newly-formed SCCA Club Racing BFGoodrich Tires Super Tour. Using motorsports as a proving ground for more than 40 years, BFGoodrich[®] Tires is involved in every type of racing, including oval, sports car, drifting, drag, desert, dirt, rally and extreme rock crawling. BFGoodrich Tires combines technological expertise with vast motorsports experience, delivering a high-performance tire for every type of vehicle.

GoPro

Be a **HERO**.  GoPro, the world's leading wearable and gear-mountable camera company, captures action-packed SCCA races and offers fans the opportunity to win cameras. In 2012, SCCA announced a multi-year partnership naming GoPro the Official Camera of SCCA. The partnership provides two very distinct paths for SCCA members to get their hands on one of the industry leading cameras: during on-track competition and through social media. GoPro's versatile cameras, enable people to capture immersive and engaging photos and videos of themselves during their favorite activities. GoPro's HD HERO line of wearable and gear mountable cameras are used collectively by more consumers, professional athletes, and video production professionals than any other camera in the world.

Hawk Performance

Offering highly-engineered friction products for nearly every type of racing, Hawk Performance is the world's top brake pad manufacturer for street, performance and racing applications. In 2002, Hawk Corporation and SCCA were pleased to announce an agreement naming Hawk Performance the Official Brake Products of SCCA.

Mazda

SCCA and Mazda North American Operations announced a multi-year partnership in 2013 that named Mazda the Official Car of SCCA. Mazda is the number-one brand for road-racers across North America. Thousands of Mazda powered grassroots racers compete in various classes with the SCCA highlighted by Spec Miata, the world's largest spec class with over 2,500 cars built. In 2006 Mazda Motorsports established the MAZDASPEED Motorsports Development Ladder to assist racers in moving up through the ranks. On any given weekend, there are more Mazdas being raced than any other marque.

Mobil 1

Mobil 1 Mobil 1, the world's leading synthetic motor oil brand, exceeds the industry's toughest standards and outperforms all conventional oils. In fact, many car builders put Mobil 1 in their vehicles before they leave the factory. And it is used by more than 70 percent of teams in the three NASCAR[®] series. If you want total engine protection, excellent fuel economy and a product recommended for applications under warranty, you want Mobil 1. Mobil 1 features a proprietary SuperSyn anti-wear technology that provides performance beyond conventional motor oils. Receive a special 20 percent discount at the Mobil1RacingStore.com using the promotional code “scca”.

Race Monitor

In 2013, Race Monitor and Sports Car Club of America entered an agreement to make the smart phone app the “Official Live Timing Application of SCCA Club Racing.” Race Monitor gives racers and spectators alike, the ability to view live timing of races from hundreds of organizations around the world. The Race Monitor application is available for iPhone, iPad, Android, Mac, Windows 8/RT, and Windows Phone. Race Monitor is a product of Karting Coach, Inc.

SafeRacer

SafeRacer, the country's number one source for racing safety equipment with over 100,000 customers served, is the title sponsor of the SCCA National Club Racing program and the First Gear youth membership program. Featuring products from the highest quality manufacturers, including HANS, Alpine Stars, Sparco, Oakley, Arai, G-Force, Bell, Simpson and FAST, SafeRacer has a wide variety of helmets, suits, gloves, shoes, underwear and seats for every budget. SafeRacer's 25,000 square-foot facility includes more than \$1million in inventory to satisfy the safety needs of the SafeRacer SCCA National Racing Series.

Sunoco Race Fuels

Sunoco, the largest manufacturer of racing gasoline in the world and the Official Fuel of SCCA, has a long track record of winning performance. Recognized as the leader in the race fuel industry, Sunoco sets the standard with every gallon of every blend. More engine builders, racers, tracks and sanctioning bodies choose Sunoco than all other racing gasoline combined! Sunoco's track-proven fuels are designed to provide exceptional performance, quality and consistency keeping you "Ahead of the Pack." Sunoco's 100 Octane street legal race fuel is available at the pump. Go to www.racegas.com to locate a station near you.

Tire Rack

Initiated in 2000, the SCCA National Solo program combines the three types of national-level Solo events, Solo National Championships, Solo National Tour and the ProSolo National Series, into one branded entity, the Tire Rack SCCA National Solo program. Tire Rack was established over 30 years ago to serve the Solo community with a product line that fulfills the tire, wheel, suspension and brake needs of the enthusiasts and their friends for both the track and the road. As the title sponsor of the National Solo program, Tire Rack.com, America's leading high-performance tire and wheel source, is able to showcase a broad range of new products in suspension, brakes and accessories while supporting the grassroots motorsports enthusiasts.

CLUB RACING CATEGORIES AND CLASSES

The following are the classes that compete in SCCA Club Racing U.S. Majors Tour events. Many of America's best racecar drivers today, such as Sam Hornish Jr., J.R. Hildebrand, Boris Said, Scott Sharp, Graham Rahal, Randy Pobst and Peter Cunningham participated in some class within SCCA's Club Racing programs.

PRODUCTION CATEGORY

Series produced cars which are allowed a range of performance modifications while retaining their original design, structure and drive layout. There is no age limit, such as Showroom Stock, so Production includes cars as old as 50 years and as new as current body styles. The three performance potential based classes include: E Production (EP), F Production (FP) and H Production (HP).

EP is the fastest of the Production classes with HP running the slowest in the category.

Several cars in the Production classes can be run in more than one class, just by changing the engine between races. Cars included in Production classes come from a diverse group ranging from the Datsun 510, MG Midget, B and A, Fiat X1/9, Alfa Romeo Spyder, Lotus Super 7 and Austin Healey Sprite, to the BMW 325, Mazda Miata, RX-7 and RX-8, Nissan 240, Honda Prelude, Suzuki Swift GTI and Toyota MR-2.

FORMULA CATEGORY

The six formula classes are all single-seat, open-wheel racecars. They are built to detailed specifications for weight, size and engine displacement. There are incredible power to weight ratios in each class. The eight classes are: Formula Atlantic® (FA), Formula Continental® (FC), Formula Mazda (FM), Formula F (FF), Formula 500 (F500), Formula Vee® (FV), Formula Enterprises (FE) and Formula 1000 (FB).

Many of the winged FA and FC cars, along with several of the non-winged FF cars are produced by some of the same companies that make Indy-type cars such as Lola, Van Diemen and Reynard. FA cars have motors that generate as much as 240hp. FB cars use motorcycle power. The FC runs a stock 2-liter engine with about 150hp while the FF motors make around 120hp. FM utilizes a sealed Mazda rotary engine, while the FE car uses a sealed four-cylinder motor. FV includes many home-built cars, as well as cars built by proven manufacturers, and is one of the most competitive and popular classes in SCCA. FV entries all run 1200cc stock VW engines. F500s run small displacement, two-stroke engines like snowmobiles and 600cc 4-stroke motorcycle engines, and are one of the least expensive classes to run in SCCA.

PROTOTYPE CATEGORY

There are three classes of purpose-built road racing cars with full composite bodies. Underneath, these cars are pure racing machines. The power plants in these cars vary from home-built "pieces and parts" engines and motorcycle engines to sealed identical motors.

Prototype 1 and Prototype 2 evolved from the old C Sports Racing, D Sports Racing, and S2000 classes. The P1 and P2 classes feature a variety of chassis including home-built, innovative designs and manufacturer produced cars. P1 cars are faster, with more aerodynamics allowed, while P2 cars are flat bottom machines. The Spec Racer Ford (SRF) is a one-design, single seat car utilizing a sealed Ford engine. It is SCCA's largest class and continues to provide cost effective racing for more than 800 competitors. By limiting the modifications and preparation costs, this class emphasizes driver ability over spending.

SEDAN CATEGORY

American Sedan® (AS), comprised of Chevrolet Camaros, Pontiac Firebirds and GTOs, and Ford Mustangs, are production-based chassis with modified suspensions and brakes. Engines are primarily carbureted 302 and 305 CID V-8s that have been balanced and blueprinted, but recently fuel injection has also been permitted.

TOURING CATEGORY

In response to the ever increasing performance of today's street cars and to expand participation by various manufacturers, SCCA has developed a category for those high performance cars which, because of their performance potential, required some changes to their wheel/tires and suspension components. Touring 1 (T1) features the Dodge Viper, Chevrolet Corvette, Porsche 911 and Ferrari 360. Front runners in T2 are the Camaro/Firebird, Mustang GT, BMW M3, Pontiac Solstice GXP, Cadillac CTS-V, Mitsubishi Evo and Subaru STi. In T3 you'll find such models as the Mazda RX8, Audi TT and Chevrolet Cobalt.

T4 is the smallest of the classes, with Ford Mustang, Honda Civic Si, BMW Z4, and Acura RSX Type S just a few of the cars that you can find there. B-Spec is a close cousin of the Touring category, featuring cars like the Mazda2, Honda Fit and Mini Cooper. B-Spec cars are governed by a common set of rules that make them eligible across a number of platforms, including SCCA Pro Racing's Pirelli World Challenge Championships.

GRAND TOURING CATEGORY

GT cars are purpose-built, highly-modified "silhouette" replicas of series-produced sports sedans. GT cars are permitted tube-frame chassis with performance being equalized by allowing cars with smaller engines to compete at a lighter weight. GT-1 cars are the fastest of the category, and many cars have run in the Trans-Am® series. GT-2, GT-3 and GT-Lite cars get progressively lighter and less powerful. Cars include Toyota Celicas, Mazda RX-7s, Nissan 200SXs, Honda CRXs and Austin Mini Coopers, just to name a few.

SUPER TOURING CATEGORY

Super Touring® was designed to allow late-model production-based cars, like those found in Touring, more extensive modifications, including wings, to, in some instances, engine swaps. World Challenge cars are eligible for competition here. Super Touring Over (STO) is home to Cadillac CTS-Vs, Pontiac GTOs, Chevrolet Corvettes and Ford Mustangs, while Super Touring Under (STU) is where you'll find Mazda Proteges and 6s, Acura RSX and TSXs and Audi A4s. Super Touring Lite (STL) predominantly features cars with two liter and under engines.

SPEC MIATA

Making its debut in 2006, the Spec Miata (SM) class is intended to provide the opportunity to compete in low cost, production-based cars with limited modifications, suitable for racing competition. The rules were intentionally designed to be more open than the then-Showroom Stock class but more restricted than the Improved Touring class. Five generations of Mazda Miatas are approved for competition, including those built from 1990-93, 1994-95, 1996-97, 1999-2001, and 2001-2005, each model with its own set of restrictions to level the playing field. Drivers can move up to the pro-ranks of the Playboy Mazda MX-5 Cup.

THE STRUCTURE OF CLUB RACING

The SafeRacer Club Racing program is the backbone of the SCCA with a program for almost everyone. Club Racing offers the opportunity to experience the excitement by climbing into a race car and competing against other amateur drivers or working on a corner within inches of all the action.

WORKERS AND OFFICIALS

Getting involved as a worker or official is as easy as going to a local event and volunteering to help. Workers are issued a license just like the competition drivers, and can work their way up through the four levels of licenses by participating at different events and gaining the knowledge and experience necessary to hold a national specialty license. SCCA licensed workers help staff most of the motorsport events held in the United States in one capacity or another.

COMPETITION DRIVING

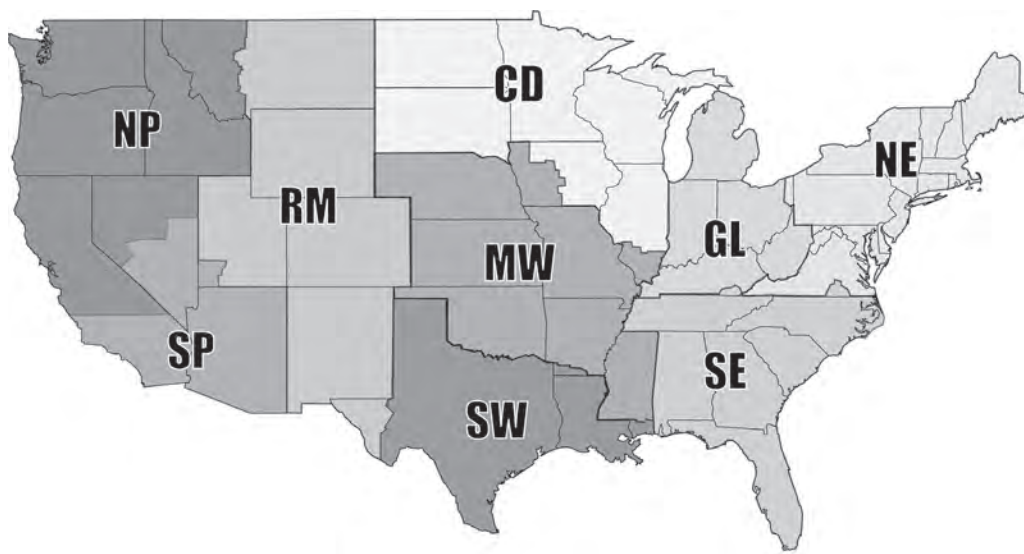

Club Racers begin their racing careers by participating in two Driver's Schools. Successful completion of these schools makes the amateur driver eligible to compete in Regional races. There are more than 2,000 SCCA members who hold regional competition licenses and who usually only compete at races in their own area of the country. After six Regional events, the SCCA Club Racer has completed the requirements for National competition.

The U.S. Majors Tour, the top level of amateur road racing in North America, featured 25 events in four geographic Conferences, giving a the top racers a true season-long point championship to chase. Included in those events were six BFGoodrich Tires Super Tour events, highlighting some of the best events and tracks in the country. The U.S. Majors Tour is only one step below SCCA Pro Racing, and many of the Pro drivers in SCCA series, as well as other series, came out of the SCCA Club ranks.

Among the largest Club Racing events held each year are the June Sprints® at Road America, and Majors races at Sebring International Raceway, Watkins Glen and Mid-Ohio. The biggest event in Club Racing each year is the SCCA National Championship Runoffs.

The Sports Car Club of America is divided into Divisions and within those boundaries are Areas consisting of Regions. In a nutshell, members belong to a particular Region; that region is within a particular Area within a Division.

Areas and Divisions were created to break down the administration of SCCA into smaller areas. An Area is governed by a Director and Divisions handle the administration of competition programs including Club Racing, Time Trials, Solo, RoadRally, and RallyCross although each Region sanctions individual events.

SCCA Divisions are as follows:

NP - Northern Pacific

SP - Southern Pacific

RM - Rocky Mountain

CD - Central

MW - Midwest

SW - Southwest

GL - Great Lakes

SE - Southeast

NE - Northeast

*Alaska is included in the Northern Pacific Division, Hawaii and Guam are included in the South Pacific Division and Puerto Rico is in the Southeast Division.

THE SCCA® NATIONAL CHAMPIONSHIP RUNOFFS®

The SCCA National Championship Runoffs has evolved into what is now commonly agreed to be the pinnacle of American motorsports. The Runoffs were named by Car and Driver magazine as one of the Top 10 racing events in motorsports, and Edmunds called the event “an institution.” 2014 marks the 51st Runoffs and its first visit to the West Coast in 46 years.

More than 500 drivers are competing for National Championship medals in 27 different classes. Every year, the event produces close, competitive racing and provides a glimpse at future road racing stars. Beginning in 2014, the Runoffs begins a rotation of tracks hosting the event for just one year at a time, like golf's U.S. Open or the Super Bowl. The Runoffs will take place at Mazda Raceway Laguna Seca in 2014, at Daytona International Speedway in 2015, and at Mid-Ohio Sports Car Course in 2016.

QUALIFYING FOR AN INVITATION

There are two ways that a driver can score an invitation to the 2014 Runoffs - through the U.S. Majors Tour, which is the most common example, or through their Divisional Championship. With minimum participation requirements, a driver qualifies for the Runoffs by finishing in the top ten of their class in their Conference Championship, finish in the top half of the coast-to-coast National point standings, or reach or exceed a minimum number of points for a given class in the National point standings. Each Division sets their own requirements for drivers wishing to qualify that way.

Defending Champions may use a Champions provisional to qualify.

WHY GO TO THE RUNOFFS?

While the big names make thousands or even millions of dollars a year, club racers normally compete for trophies. There are a few classes supported by contingency sponsors throughout the season, but, most of the time, when a Club driver is on the track it is for fun and to test himself against his fellow competitors.

Winning a National Championship at the Runoffs means defeating the best Club Racing has to offer as well as bragging rights to say “I am the best in the country.” The long list of past National Champions reads like a who's who of motor racing: Bobby Rahal, Graham Rahal, Jimmy Vasser, Scott Sharp, Elliott Forbes-Robinson, Skip Barber, Boris Said, Michael Galati and Paul Newman are just a few of the familiar names. For many of these drivers, a National Championship was just a stepping-stone on their way to making a name for themselves in auto racing.

A National Championship looks good on the racing resume and can help with sponsorship proposals for the following year. Securing a sponsor can help with a bigger and better season for the following year, be it in Club or Pro Racing.

SCCA NATIONAL CHAMPIONSHIP HISTORY

From 1951 through 1964, Sports Car Club of America determined its amateur road racing National Champions on a nationwide point basis from the United States Road Racing Championship, a select series of National races run throughout the country. In the first three years, only one overall champion was named. From 1954 on, champions were named in each of the SCCA amateur classes.

In 1964, it was decided that a better way would be to gather the best amateur road racers in one place to compete against

each other in an Interdivisional Championship Event. In the first two years, the winners were not officially recognized as the SCCA National Champions. 1966 was the first year the event was officially designated as the SCCA National Championship event. In retrospect, The Runoffs winners of 1964 and 1965 are similarly recognized.

In 1964, then, there were two Championships - the final year of the point series and the first year of the Runoffs.

THE HISTORY OF THE RUNOFFS

Over the years, the name has changed as well as the method of qualifying for the event, but the idea has remained the same: gather the best amateur road racers in one place and let them compete against each other.

For the first six years, the event alternated between Riverside International Raceway in California (1964, 1966 & 1968) and Daytona International Speedway in Florida (1965, 1967 & 1969). For the next 24 years the Runoffs were held at Road Atlanta in Braselton, Ga. The Runoffs moved to Lexington, Ohio's Mid-Ohio Sports Car Course from 1994 to 2005. In 2006, the Runoffs added a fifth track to its resume, that of Heartland Park Topeka in Topeka, Kan., followed by Road America in 2009.

During the early years, the event was known as the American Road Race of Champions (ARRC). The first year at Riverside saw 183 cars entered in 13 races for 17 classes. Practice began on Wednesday with qualifying Thursday and Friday and races Saturday and Sunday. In 1973, when Champion Spark Plugs signed on as the event sponsor the name became the Champion Spark Plug Road Racing Classic (CSPRRC). In 1983, the words "The Runoffs" were added to the Champion Spark Plug Road Racing Classic, and then, in 1985, Valvoline Oil took over as sponsor of the event and it became the Valvoline Road Racing Classic - The Runoffs (VRRRC). 1987 saw the name shortened to just "The Valvoline Runoffs," which was used until 2005 when Kohler was named as the presenting sponsor. The 2007 event was sponsored by AT&T, with Subway presenting the 2010 event.

Many Club drivers do not want to be professional drivers one day and are content to test themselves each year at the Runoffs, which makes for many return entries each year. During the 24 years that the Runoffs were held at Road Atlanta, many of the competitors gathered quite a following of local fans.

The number of entries has grown over the past 30 years. 2004 eclipsed 700 drivers for the only time, with 709 drivers starting in 24 class races.

The biggest race in Club Racing has always been supported by the workers from across the country. Each year the event attracts workers from as far away as Hawaii and Canada.

THE FUTURE OF THE RUNOFFS

In July of 2013, it was announced that the Runoffs will move around the country every year for the foreseeable future. Comparable to the Super Bowl or golf's U.S. Open, amateur racing's biggest stage will visit Mazda Raceway Laguna Seca in 2014, Daytona International Speedway in 2015 and Mid-Ohio Sports Car Course in 2016.

THE FUTURE OF SCCA CLUB RACING

Today, the Sports Car Club of America is the leading sanctioning body in motorsports. SCCA is based on membership and participation and the plan is to continue to provide the members the best benefits of any organization in the motorsports industry.

SCCA is recognized as the leader in motorsports event operations, and continues to provide expertise to other sanctioning bodies in North America. In 2009, SCCA was awarded an FIA grant to broaden its track safety program, which has provided for more advanced training of circuit inspectors.

The SCCA Runoffs will continue to be the pinnacle of American motorsports. The amateur racer is excited and proud to be a part of this prestigious event, ensuring that the Runoffs will remain the top event in amateur motorsports for years to come.

In 2011, SCCA introduced the BFGoodrich Tires Super Tour. As part of the Super Tour, SCCA and BFGoodrich Tires have embarked on a number of marketing, promotional and ceremonial initiatives to elevate the stature of the select events, making each one of the “can’t miss” events of the season. The Super Tour visited six U.S. Majors Tour events in 2014 — including at least one in each conference.

2014 BFGoodrich Tires SCCA Super Tour Schedule

Jan. 3-5 – BFGoodrich Tires Sebring Super Tour, Sebring International Raceway
 Feb. 7-9 – BFGoodrich Tires New Orleans Super Tour, NOLA Motorsports Park
 March 21-23 – BFGoodrich Tires Atlanta Super Tour, Road Atlanta
 April 12-13 – BFGoodrich Tires Thunderhill Super Tour, Thunderhill Raceway Park
 May 30-June 1 – BFGoodrich Tires Mid-Ohio Super Tour, Mid-Ohio Sports Car Course
 July 4-6 – BFGoodrich Tires Watkins Glen Super Tour, Watkins Glen International

The SCCA Club Racing Super Sweep is the most challenging award a Club Racer can achieve. To earn the award a driver must: win a U.S. Majors Tour Conference Championship, win at one of nine key National races, win a National Championship at the Runoffs and win the national point standings, all in a single class. This season’s BFGoodrich Tires Super Tour events, in addition to three other National races, are qualifiers for the SCCA Super Sweep award.

SCCA CLUB RACING SUPER SWEEP WINNERS

2009:

Garry Crook (DSR)
 Cliff Ebben (GT-1)
 Joel Lipperini (SSC)
 Juan Marchand (FM)
 Mark Mercer (S2000)
 Mirl Swan (FA)
 Michael Varacins (FV)

2010:

Michael Lewis (GT-1)
 Scott Rettich (FE)
 Kevin Ruck (FP)
 Darryl Wills (FM)

2011:

Scott Rettich (FE)
 Darryl Wills (FM)
 Michael Mallinen (FA)
 Mark McCaughey (SSC)

2012:

Gerald Szykulski (FC)

2013:

Chris Farrell (DSR)
 Scott Rettich (FE)

The U.S. Majors Tour is the pinnacle of championship racing in North America.

This isn't Easy Street. This is where America's best amateur drivers race. It means start-to-finish, wheel-to-wheel action. It's where drivers not only put their cars on the track, they put their pride on the line.

Make no mistake, this is not country club driving. The kindred spirit found here is mixed with fuel and emotion. Adrenaline pumps a little harder here.

In 2014, the U.S. Majors Tour will conduct Championships in four separate Conferences - Eastern, Northern, Mid-States and Western.

Eastern Conference Events

Jan. 3-5 - Sebring International Raceway, Sebring, Fla. - BFGoodrich Tires Super Tour
Jan. 10-12 - Palm Beach International Raceway, Jupiter, Fla.

FORMER NATIONAL CHAMPIONS

Note: Number in the right column denotes the number of Championships the driver had won at that time.

From 1951 through 1964 the National Championships were decided by the total number of points received in the United States Road Racing Championships, the National race series of the times. It was only beginning in 1966 that the winners of the Interdivisional National Championship Event (the Runoffs) were considered the National Champions although the Runoffs winners of 1964 and 1965 also are listed here. As there were both a points championship and a Runoffs in 1964, those drivers who were Runoffs winners in 1964 are marked with an asterisk (*).

E PRODUCTION

1954	Robert Salzgeber, Triumph TR2	1
1955	Gaston Andrey, Morgan	1
1956	Bengt Soderstrom, Porsche 1600	2

RUNOFFS POLE WINNERS

From 1951 through 1964 the National Championships were decided by the total number of points received in the United States Road Racing Championships, the National race series of the times. It was only beginning in 1966 that the winners of the Interdivisional National Championship Event (the Runoffs) were considered the National Champions although the Runoffs pole winners of 1964 and 1965 also are listed here. Number in right column denotes number of career poles at that time.

E PRODUCTION

1964	Alan Johnson, Porsche 356	1
1965	Bret Everett, Porsche 356	1
1966	Alan Johnson, Porsche 356 S90	2
1967	Lee Midgley, Triumph TR3	2
1968	Mike Eyerly, Porsche 356	1
1969	Mike Downs, Triumph GT6	2
1970	Jerry Truitt, MGB	1
1971	Logan Blackburn, MGB	1
1972	Elliott Forbes-Robinson, Porsche 914	1
1973	Lee Mueller, Triumph Spitfire	1
1974	Brian Fuerstenau, MGB	1
1975	Terry Visger, MGB	1

MAJOR CLUB RACING AWARDS

THE PRESIDENT'S CUP

The cup was donated in 1954 by R.W. Woodruff, President of Coca Cola Co., Atlanta, GA. The inaugural presentation in 1954 was made personally by President Dwight D. Eisenhower.

The recipient is selected by the Stewards of the Meeting and the Chief Steward at the Runoffs. The award goes to the driver best demonstrating ability, competitiveness and success at the National Championship event.

Beginning in 2008, the President's Cup was presented at the SCCA National Convention.
