Dear SCCA Media Partners:

Welcome to another extraordinary season of SCCA Club Racing, the most competitive grassroots racing program in North America.

Our Club Racing program continues to evolve and a big addition for 2011 was the start of the BFGoodrich Tires SCCA Super Tour program. With the help of our partner, BFGoodrich Tires, we have created a series of high profile events that include many aspects that you'd only find at the National Championship Runoffs.

This is the top program during the regular season, which again features some 230 Regional races and 71 SafeRacer National Racing Series competitions. Add in our Performance Driving Experience, Time Trials and Driver School events and it makes for a packed schedule for our Regions, creating more opportunities for people to race across the country than any other organization.

Our season again culminates with the big one – the 48th Annual SCCA National Championship Runoffs® at Road America. Now in its third season out of a five-year agreement with Road America, this year's event will be as competitive as ever, with 600 racers and 500 workers swarming Elkhart Lake, Wis. for a week to crown 28 National Champions.

This will also be the third year of our SCCA Club Racing Super Sweep program (see page 21 for the 2010 winners), the most challenging award a racer can earn. To accomplish this feat, a driver must win: a Divisional Championship, a National Points Championship, a race at one of nine select Club National Races, and the National Championship Runoffs all in the same class. We're hopeful, and have already seen, that the new award will unite the entire spectrum of Club Racing, making it a truly "national" competition by giving Club Racers the opportunity to compete head-to-head against drivers across the country.

No matter what event you visit, each weekend brings a new story to be told. We thank you for your assistance in telling those stories.

If you have any additional questions about SCCA Club Racing, you can always contact our Communications department for help.

Thank you again for your support of SCCA Club Racing. I look forward to seeing you at the races,

Jeff Dahnert

SCCA President & CEO

WHAT IS SCCA®?

Sports Car Club of America, Inc. was founded 67 years ago by a group of amateur motorsports enthusiasts and today boasts nearly 45,000 members. SCCA now sanctions more than 2,000 amateur and professional motorsports events each year. With 114 regional chapters covering the entire United States, Guam and Puerto Rico, SCCA provides true grassroots participation and is the largest active motorsports membership organization in the world. Local events at nearby circuits remain the backbone of club activities. SCCA's volunteer staff provides everything from course marshaling to timing and scoring, at both club and professional events.

In addition to Club Racing, SCCA is the home to Pro Racing, RallyCross, Solo and RoadRally, all of which offer a wide variety of amateur and professional motorsports competitions. SCCA Enterprises, a wholly owned subsidiary of SCCA, constructs and maintains two cars, the venerable SCCA Spec Racer Ford, a single-seat sports racer that is one of Club Racing's most popular classes, as well as the dual purpose Formula Enterprises/Enterprises Sports Racer, now in its seventh year, with Formula Enterprises making its Runoffs debut in 2008.

SCCA's Club Racing program is designed to fulfill the need of the "amateur athlete." It is a comprehensive, nationwide program featuring races held throughout the year that cater to the driver who perhaps prefers to test his or her skill on a part time basis, rather than compete full-time on SCCA's professional circuits. Nevertheless, because the competition at the club level is so fierce, many professionals also participate in this program to further hone their skills and compete at SCCA's National Championship Runoffs.

The amateur road racing program is administered by SCCA's Club Racing Department. A full staff of SCCA personnel handles the needs of the amateur race car driver, developing a full schedule of 240 Regional events, along with approximately 30 Driving Schools, 45 Performance Driving Experience events and another 70 National races.

Club Racing is an integral part of SCCA. Nearly half of the membership is involved on the amateur level, either as drivers, crew, workers or officials. More than 8,000 SCCA members hold competition licenses allowing them to compete within SCCA's Club Racing programs.

BFGoodrich Tires

In 2011, SCCA announced a multi-faceted partnership with BFGoodrich® Tires naming BFGoodrich Tires the "Official Street Tire" of SCCA and the title sponsor of the newly-formed SCCA Club Racing BFGoodrich Tires Super Tour. Using motorsports as a proving ground for more than 40 years, BFGoodrich® Tires is involved in every type of racing, including oval, sports car, drifting, drag, desert, dirt, rally and extreme rock crawling. BFGoodrich Tires combines technological expertise with vast motorsports experience, delivering a high-performance tire for every type of vehicle.

Black Magic

Black Magic offers premium auto detailing supplies and car care products to America's auto enthusiasts. From leading tire dressings to first-rate protectants, Black Magic detailing supplies and auto care products make it easy to create a shine that attracts from top to bottom. In 2010, SCCA announced Black Magic as the Preferred

Automotive Detailing Products of SCCA. Black Magic serves as an associate sponsor of the SCCA National Convention, the Tire Rack SCCA Solo National Championships and the SCCA National Championship Runoffs.

Gumout

Since 1945, Gumout® performance chemicals have delivered cutting-edge technology to help motorists get the most from every mile, with products blended specifically to clean, protect, and enhance critical vehicle parts. In 2010, Gumout was named the Preferred Fuel System Additives of SCCA, an associate sponsor of the SCCA National Convention, and title sponsor of

the Gumout Super Challenge in SCCA ProSolo, and the Gumout Pole Position at the Runoffs.

Hawk Performance

Offering highly-engineered friction products for nearly every type of racing, Hawk Performance is the world's top brake pad manufacturer for street, performance and racing applications. In 2002, Hawk Corporation and SCCA were pleased to announce an agreement naming Hawk Performance the Official Brake Products of SCCA.

Mobil 1

Mobil 1, the world's leading synthetic motor oil brand, exceeds the industry's toughest standards and outperforms all conventional oils. In fact, many car builders put Mobil 1 in their vehicles before they leave the factory. And it is used by more than 70 percent of teams in the three NASCAR® series. If you want total engine protection, excellent fuel economy and a product recommended for applications under warranty, you want Mobil 1. Mobil 1 features a

proprietary SuperSyn anti-wear technology that provides performance beyond conventional motor oils. Receive a special 20 percent discount at the Mobil-1RacingStore.com using the promotional code "scca".

Pace American

Pace American is the premier manufacturer of enclosed motorsport, cargo, and landscape trailers in the country. With models and options perfectly suited to the task at hand, including the Shadow GT®, the most popular motorsports trailer in America or our most versatile Journey cargo trailer. Pace American trailers are designed and built, by racers for racers. With 400 dealers nationwide offering sales, service, and parts Pace American is the No. 1 trailer brand among SCCA members for a reason. Pace American is proud to be the official trailer of SCCA.

Racing Radios

Racing Radios has been providing superior products for the racing community for over 30 years and is the leading developer for two-way communications in the racing industry. Recognized as a worldwide leader in racing communications, Racing Radios has signed on to be the Official Radio Communication Provider for SCCA and SCCA Pro Racing.

SafeRacer

SafeRacer, the country's number one source for racing safety equipment with over 100,000 customers served, is the title sponsor of the SCCA National Club Racing program and the First Gear youth membership program. Featuring products from the highest quality manufacturers, including HANS, Alpine Stars, Sparco, Oakley, Arai, G-Force, Bell, Simpson and FAST, SafeRacer has a wide variety of helmets, suits, gloves, shoes, underwear and seats for every budget. SafeRacer's 25,000 square-foot facility includes more than \$1million in inventory to satisfy the safety needs of the SafeRacer SCCA National Racing Series.

Sunoco Race Fuels

Sunoco, the largest manufacturer of racing gasoline in the world and the Official Fuel of SCCA, has a long track record of winning performance. Recognized as the leader in the race fuel industry, Sunoco sets the standard with every gallon of every blend. More engine builders, racers, tracks and sanctioning bodies choose Sunoco than all other racing gasoline combined! Sunoco's track-proven fuels are designed to provide exceptional performance, quality and consistency keeping you "Ahead of the Pack." Sunoco's 100 Octane street legal race fuel is available at the pump. Go to www.racegas.com to locate a station near you.

Tire Rack

Initiated in 2000, the SCCA National Solo program combines the three types of national-level Solo events, Solo National Championships, Solo National Tour and the ProSolo National Series, into one branded entity, the Tire Rack SCCA National Solo program. Tire Rack was established over 30 years ago to serve the Solo community with a product line that fulfills the tire, wheel, suspension and brake needs of the enthusiasts and their friends for both the track and the road. As the title sponsor of the National Solo program, Tire Rack.com, America's leading high-performance tire and wheel source, is able to showcase a broad range of new products in suspension, brakes and accessories while supporting the grassroots motorsports enthusiasts.

Volkswagen of America

Volkswagen is one of the world's largest producers of passenger cars, and Europe's largest automaker. The brand's reputation on the race-track is no different. In a motorsports history spanning more than 40 years, Volkswagen has set the benchmark in three specific disciplines: formula racing, off-road racing and touring car racing. Today, Volkswagen continues to rewrite racing history by focusing on its commitment to bring clean fuel technologies to the race track, while developing the best of motorsports' up-and-coming talent. In addition to being named

the Official Vehicle of SCCA and the Official Pace Vehicle of SCCA and SCCA Pro Racing, Volkswagen is one of the largest contingency sponsors of the Sports Car Club of America, annually awarding over \$100,000 to SCCA competitors.

STOPPING POWER

Hawk Brakes provide our RealTime Acuras the consistent and controllable stopping force we need to fight for the championship.
— Peter Cunningham

Nobody does it better than Hawk Performance!

Twelve time champions, RealTime Racing have always relied on our Dynamic Torque Control (DTC) brake pad technology. This makes Hawk Performance and RealTime Racing the winningest team in SCCA Pro Racing World Challenge history. For over two decades, we have helped race teams around the globe meet and surpass their braking needs. Equip your racecar today with Hawk Performance DTC brake pad technology. The only thing you lose is time off your laps.

Find the right DTC brake pad to help you meet your championship goals at hawkperformance.com

CLUB RACING CATEGORIES AND CLASSES

The following are the classes that compete in SCCA Club Racing National events. Participation totals determine which 28 classes will take part in the Runoffs. Many of America's best racecar drivers today, such as Sam Hornish Jr., Buddy Lazier, Boris Said, Scott Sharp, Buddy Rice, Graham Rahal, Randy Pobst and Peter Cunningham participated in some class within SCCA's Club Racing programs.

SHOWROOM STOCK CATEGORY

Late-model, mass-produced street cars like those bought right off the showroom floor. Aside from a roll cage and safety equipment, there are very few modifications allowed to the cars. Classed by performance potential into two classes: Showroom Stock B (SSB) and C (SSC).

Each class has over 30 different cars eligible to compete within that class. SSB is made up of entries like the Acura RSX-S, BMW Z4, Honda Civic, Mazda MX-5, Mini Cooper S and Pontiac Solstice. SSC is the slower, but no less exciting Showroom Stock class and includes cars such as the Dodge Neon, Honda Civic Si, MAZDA3, Chevrolet Cobalt and Volkswagen Rabbit.

Many of the drivers in Showroom Stock move up to compete in the SCCA Pro Racing Pirelli World Challenge® Championships.

PRODUCTION CATEGORY

Series produced cars which are allowed a range of performance modifications while retaining their original design, structure and drive layout. There is no age limit, such as Showroom Stock, so Production includes cars as old as 50 years and as new as current body styles. The four performance potential based classes include: E Production (EP), F Production (FP) and H Production (HP).

EP is the fastest of the Production classes with HP running the

slowest in the category. Several cars in the Production classes can be run in more than one class, just by changing the engine between races. Cars included in Production classes come from a diverse group ranging from the Datsun 510, MG Midget, B and A, Fiat X1/9, Alfa Romeo Spyder, Lotus Super 7 and Austin Healey Sprite, to the BMW 325, Mazda Miata, RX-7 and RX-8, Nissan 240, Honda Prelude, Suzuki Swift GTI and Toyota MR-2.

FORMULA CATEGORY

The six formula classes are all single-seat, open-wheel racecars. They are built to detailed specifications for weight, size and engine displacement. There are incredible power to weight ratios in each class. The

six classes in order of fastest to slowest are: Formula Atlantic® (FA), Formula Continental® (FC), Formula Mazda (FM), Formula F (FF), Formula 500 (F500), Formula Vee® (FV), Formula Enterprises (FE) and Formula 1000 (FB).

Many of the winged FA and FC cars, along with several of the non-winged FF cars are produced by some of the same companies that make Indy-type cars such as Lola, Van Diemen and Reynard. FA cars have motors that generate as much as 240hp. FB cars use motorcycle power. The FC runs a stock 2-liter engine with about 150hp while the FF motors make around 120hp. FM utilizes a sealed Mazda rotary engine, while the FE car uses a sealed four-cylinder motor. FV includes many home-built cars, as well as cars built by proven manufacturers, and is one of the most competitive and popular classes in SCCA. FV entries all run 1200cc stock VW engines. F500s run small displacement, two-stroke engines like snowmobiles, and are one of the least expensive classes to run in SCCA.

SPORTS RACING CATEGORY

There are four classes of purpose-built road racing cars with full composite bodies. Underneath, these cars are pure racing machines. The power plants in these cars vary from home-built "pieces and parts" engines to sealed identical motors.

The C Sports Racing (CSR) and D Sports Racing (DSR) classes feature a variety of chassis including home-built, innovative designs and manufacturer produced cars. These classes evolved from the old Modified category in the 1960s. Sports 2000 (S2) cars are open-cockpit, rear engine automobiles using a standard Ford 2000cc single overhead camshaft engine. The Spec Racer Ford (SRF) is a one-design, single seat car utilizing a sealed Ford engine. It is SCCA's largest class and continues to provide cost effective racing for more than 800 competitors. By limiting the modifications and preparation costs, this class emphasizes driver ability over spending.

SEDAN CATEGORY

American Sedan® (AS), comprised of Chevrolet Camaros, Pontiac Firebirds and GTOs, and Ford Mustangs, are production-based chassis with modified suspensions and brakes. Engines are primarily carbureted 302 and 305 CID V-8s that have been balanced and blueprinted, but recently fuel injection has also been permitted.

TOURING CATEGORY

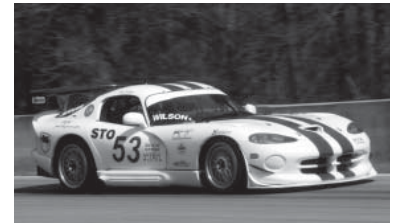

In response to the ever increasing performance of today's street cars and to expand participation by various manufacturers, SCCA has developed a category for those high performance cars which, because of their performance potential, required some changes to their wheel/tires and suspension components. Touring 1 (T1) features the Dodge Viper, Chevrolet Corvette, Porsche 911 and Ferrari 360. Front runners in T2 are the Camaro/Firebird, Mustang GT, BMW M3, Pontiac Solstice GXP, Cadillac CTS-V, Mitsubishi Evo and Subaru STi. In T3 you'll find such models as the Mazda RX8, Audi TT and Chevrolet Cobalt.

GRAND TOURING CATEGORY

GT cars are purpose-built, highly-modified "silhouette" replicas of series-produced sports sedans. GT cars are permitted tube-frame chassis with performance being equalized by allowing cars with smaller engines to compete at a lighter weight. GT-1 cars are the fastest of the category, and many cars have run in the Trans-Am® series. GT-2, GT-3 and GT-Lite cars get progressively lighter and less powerful. Cars include Toyota Celicas, Mazda RX-7s, Nissan 200SXs, Honda CRXs and Austin Mini Coopers, just to name a few.

SUPER TOURING CATEGORY

Super Touring® was designed to allow late-model production-based cars, like those found in Touring, more extensive modifications, including wings, to, in some instances, engine swaps. World Challenge cars are eligible for competition here. Super Touring Over (STO) is home to Cadillac CTS-Vs, Pontiac GTOs, Chevrolet Corvettes and Ford Mustangs, while Super Touring Under (STU) is where you'll find Mazda Proteges and 6s, Acura RSX and TSXs and Audi A4s.

SPEC MIATA

Making its debut in 2006, the Spec Miata (SM) class is intended to provide the opportunity to compete in low cost, production-based cars with limited modifications, suitable for racing competition. The rules are intentionally designed to be more open than the Showroom Stock class but more restricted than the Improved Touring class. Five generations of Mazda Miatas are approved for competition, including those built from 1990-93, 1994-95, 1996-97, 1999-2001, and 2001-2005, each model with its own set of restrictions to level the playing field. Drivers can move up to the pro-ranks of the Playboy Mazda MX-5 Cup.

THE STRUCTURE OF CLUB RACING

Club Racing is the backbone of the SCCA with a program for almost everyone. Club Racing offers the opportunity to experience the excitement by climbing into a race car and competing against other amateur drivers or working on a corner within inches of all the action.

WORKERS AND OFFICIALS

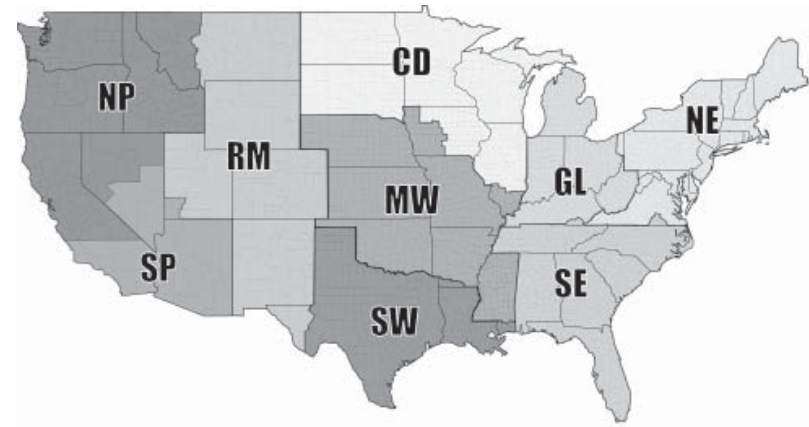

Getting involved as a worker or official is as easy as going to a local event and volunteering to help. Workers are issued a license just like the competition drivers, and can work their way up through the four levels of licenses by participating at different events and gaining the knowledge and experience necessary to hold a national specialty license. SCCA licensed workers help staff most of the motorsport events held in the United States in one capacity or another.

COMPETITION DRIVING

Club Racers begin their racing careers by participating in two Driver's Schools. Successful completion of these schools makes the amateur driver eligible to compete in Regional races. There are more than 2,000 SCCA members who hold regional competition licenses and who usually only compete at races in their own area of the country. After six Regional events, the SCCA Club Racer has completed the requirements for National competition.

Each year, the SCCA regions organize approximately 70 SafeRacer National Racing Series races throughout the country. National events, culminating with the Runoffs, are the most prestigious within Club Racing. Many National races are spectator events and the Club Racers have the opportunity to put on a show in front of crowds of people. National Club Races are only one step below SCCA Pro Racing series, and many of the Pro drivers in SCCA series, as well as other series, came out of the SCCA Club ranks.

Among the largest Club Racing events held each year are the June Sprints® at Road America, the Rose Cup at Portland International Raceway, the Winter Nationals in Florida, the Glen Nationals in upstate New York and the Double National at VIRginia International Raceway. The biggest event in Club Racing each year is the SCCA National Championship Runoffs.

The Sports Car Club of America is divided into Divisions and within those boundaries are Areas consisting of Regions. In a nutshell, members belong to a particular Region; that region is within a particular Area within a Division.

Areas and Divisions were created to break down the administration of SCCA into smaller areas. An Area is governed by a Director and Divisions handle the administration of competition programs including Club Racing, Time Trials, Solo, RoadRally, and RallyCross although each Region sanctions individual events.

SCCA Divisions are as follows:

NP - Northern Pacific

SP - Southern Pacific

RM - Rocky Mountain

CD - Central

MW - Midwest

SW - Southwest

GL - Great Lakes

SE - Southeast

NE - Northeast

*Alaska is included in the Northern Pacific Division, Hawaii and Guam are included in the South Pacific Division and Puerto Rico is in the Southeast Division.

THE SCCA® NATIONAL CHAMPIONSHIP RUNOFFS®

The SCCA National Championship Runoffs has evolved into what is now commonly agreed to be the pinnacle of American motorsports. The Runoffs were named by Car and Driver magazine as one of the Top 10 racing events in motorsports. 2011 marks the 48th edition of the Runoffs and its third year at Road America.

Nearly 700 drivers are competing for National Championship medals in 28 different classes. Every year, the event produces close, competitive racing and provides a glimpse at future road racing stars. Road America, a four-mile course with plenty of elevation changes and three long straighaways, and the SCCA have extended the Runoffs contract for an additional two more years, keeping the Runoffs at the historic facility through the 50th running of the event.

QUALIFYING FOR AN INVITATION

Each of the nine divisions holds a minimum of six National events where drivers compete for national points to gain an invitation to the Runoffs.

Drivers must finish in the top three of their class in their Divisional Championship, finish in the top half of the National Points in their class, or reach a minimum number of points for their class in the National Point Standings.

WHY GO TO THE RUNOFFS?

While the big names make thousands or even millions of dollars a year, club racers normally compete for trophies. There are a few classes supported by contingency sponsors throughout the season, but, most of the time, when a Club driver is on the track it is for fun and to test himself against his fellow competitors.

Winning a National Championship at the Runoffs means defeating the best Club Racing has to offer as well as bragging rights to say "I am the best in the country." The long list of past National Champions reads like a who's who of motor racing: Bobby Rahal, Graham Rahal, Jimmy Vasser, Scott Sharp, Elliott Forbes-Robinson, Skip Barber, Boris Said, Michael Galati and Paul Newman are just a few of the familiar names. For many of these drivers, a National Championship was just a stepping-stone

on their way to making a name for themselves in auto racing.

A National Championship looks good on the racing resume and can help with sponsorship proposals for the following year. Securing a sponsor can help with a bigger and better season for the following year, be it in Club or Pro Racing.

SCCA NATIONAL CHAMPIONSHIP HISTORY

From 1951 through 1964, Sports Car Club of America determined its amateur road racing National Champions on a nationwide point basis from the United States Road Racing Championship, a select series of National races run throughout the country. In the first three years, only one overall champion was named. From 1954 on, champions were named in each of the SCCA amateur classes.

In 1964, it was decided that a better way would be to gather the best amateur road racers in one place to compete against each other in an Interdivisional Championship Event. In the first two years, the winners were not officially recognized as the SCCA National Champions. 1966 was the first year the event was officially designated as the SCCA National Championship event. In retrospect, The Runoffs winners of 1964 and 1965 are similarly recognized.

In 1964, then, there were two Championships - the final year of the point series and the first year of the Runoffs.

THE HISTORY OF THE RUNOFFS

Over the years, the name has changed as well as the method of qualifying for the event, but the idea has remained the same:

gather the best amateur road racers in one place and let them compete against each other.

For the first six years, the event alternated between Riverside International Raceway in California (1964, 1966 & 1968) and Daytona International Speedway in Florida (1965, 1967 & 1969). For the next 24 years the Runoffs were held at Road Atlanta in Braselton, Ga. The Runoffs moved to Lexington, Ohio's Mid-Ohio Sports Car Course from 1994 to 2005. In 2006, the Runoffs added a fifth track to its resume, that of Heartland Park Topeka

in Topeka, Kan., followed by Road America in 2009.

During the early years, the event was known as the American Road Race of Champions (ARRC). The first year at Riverside saw 183 cars entered in 13 races for 17 classes. Practice began on Wednesday with qualifying Thursday and Friday and races Saturday and Sunday. In 1973, when Champion Spark Plugs signed on as the event sponsor the name became the Champion Spark Plug Road Racing Classic (CSPRRC). In 1983, the words "The Runoffs" were added to the Champion Spark Plug Road Racing Classic, and then, in 1985, Valvoline Oil took over as sponsor of the event and it became the Valvoline Road Racing Classic - The Runoffs (VRRRC). 1987 saw the name shortened to just "The Valvoline Runoffs," which was used until 2005 when Kohler was named as the presenting sponsor. The 2007 event was sponsored by AT&T, with Subway presenting the 2010 event.

Many Club drivers do not want to be professional drivers one day and are content to test themselves each year at the Runoffs, which makes for many return entries each year. During the 24 years that the Runoffs were held at Road Atlanta, many of the competitors gathered quite a following of local fans.

The number of entries has grown steadily over the past 30 years. The 1995 Runoffs had 670 starters, the highest number ever prior to 2004's eclipsing of 700, with 709 drivers starting in 24 class races.

The biggest race in Club Racing has always been supported by the workers from across the country. Each year the event attracts workers from as far away as Hawaii and Canada.

THE FUTURE OF THE RUNOFFS

With the potential for more than 2,000 entries, the Runoffs still have a lot of room to expand before reaching its peak. One of the main goals of SCCA Club Racing is to broaden the appeal of the Runoffs and National Racing so even more of the eligible competitors will want to compete at the National level and work toward attending the Runoffs.

In May of 2008 it was announced that following three years of racing at Heartland Park Topeka, the Runoffs would move to Road America for 2009 through 2011. In 2011, it was announced that the Runoffs would remain at Road America through 2013. While there is no minimum or maximum to the number of years

a track may host the Runoffs, the concept of rotating the Runoffs to different tracks every three to five years seems to be the new direction of the event.

THE FUTURE OF SCCA CLUB RACING

Today, the Sports Car Club of America is the leading sanctioning body in motorsports. SCCA is based on membership and participation and the plan is to continue to provide the members the best benefits of any organization in the motorsports industry. In 2002, SCCA relocated its headquarters from Denver, Colo. to Topeka, Kan. in a state-of-the-art 20,000 square foot building. SCCA is recognized as the leader in motorsports event operations, and continues to provide expertise to other sanctioning bodies in North America. In 2009, SCCA was awarded an FIA grant to broaden its track safety program, which has provided for more advanced training of circuit inspectors.

If the growth of the event over the past several years is any indication, the SCCA Runoffs will continue to be the pinnacle of American motorsports. The amateur racer is excited and proud to be a part of this prestigious event, ensuring that the Runoffs will remain the top event in amateur motorsports for years to come.

In 2011, SCCA introduced the BFGoodrich Tires Super Tour. As part of the Super Tour, SCCA and BFGoodrich Tires have embarked on a number of marketing, promotional and ceremonial initiatives to elevate the stature of the select events, making each the “can’t miss” event of the season in that Division. The Super Tour will consist of six SafeRacer National Racing Series events in 2011, expanding to nine in 2012 — one in each SCCA Division.

2011 BFGoodrich Tires SCCA Super Tour Schedule

March 6, Texas World Speedway, SWDiv Double National
 April 3, Hallett Raceway, MWDiv National
 April 17, VIRginia Int'l Raceway, SEDiv Double National
 May 1, Buttonwillow Raceway Park, SPDiv Double National
 June 12, Mid-Ohio Sports Car Course, GLDiv Double National
 July 3, High Plains Raceway, RMDiv Double National

Awards

The SCCA Club Racing Super Sweep is the most challenging award a Club Racer can achieve. To earn the award a driver must: win a Divisional Championship, win at one of nine key National races, win a National Championship at the Runoffs and win the national point standings, all in a single class. This season's BFGoodrich Tires Super Tour events, in addition to three other National races, are qualifiers for the SCCA Super Sweep award.

March 6, Texas World Speedway, SWDiv Double National

Super Touring Over (supplemental class)
David Pintaric
Canfield, Ohio
Dodge Viper

FORMER NATIONAL CHAMPIONS

Note: Number in the right column denotes the number of Championships the driver had won at that time.

From 1951 through 1964 the National Championships were decided by the total number of points received in the United States Road Racing Championships, the National race series of the times. It was only beginning in 1966 that the winners of the Interdivisional National Championship Event (the Runoffs) were considered the National Champions although the Runoffs winners of 1964 and 1965 also are listed here. As there were both a points championship and a Runoffs in 1964, those drivers who were Runoffs winners in 1964 are marked with an asterisk (*).

E PRODUCTION

1954	Robert Salzgeber, Triumph TR2	1
1955	Gaston Andrey, Morgan	1
1956	Bengt Soderstrom, Porsche 1600	2
1957	Robert Kuhn, AC Bristol	1

RUNOFFS POLE WINNERS

From 1951 through 1964 the National Championships were decided by the total number of points received in the United States Road Racing Championships, the National race series of the times. It was only beginning in 1966 that the winners of the Interdivisional National Championship Event (the Runoffs) were considered the National Champions although the Runoffs pole winners of 1964 and 1965 also are listed here. Number in right column denotes number of career poles at that time.

E PRODUCTION

1964	Alan Johnson, Porsche 356	1
1965	Bret Everett, Porsche 356	1
1966	Alan Johnson, Porsche 356 S90	2

John Heinricy over Henry Van Hurst, T1, 2001
Ben Beasley over Jacek Mucha, CSR, 2002

Lowest position a driver crossed the finish line, later to be declared the winner: Fifth
Tom Hughes, SSB, 1988
Britt Ponder, SSC, 1988

Lowest Starting Position by a Champion (10th or worse, since Mid-Ohio era):
27, Jacques Lazier, Formula Vee, 1996
13, Andy McDermid, American Sedan, 2000
11, Jack Bennett, F440, 1996
10, John Baucom, EP, 2000

Most Starters for the Event:
709, 2004, Mid-Ohio

Most Starters in a Race:
60, Spec Miata, 2010, Road America
58, Spec Racer, 1993, Road Atlanta

Most Career Starts:
Mark Weber, 45

Winning Percentage (Minimum 10 starts)
72.9% - Jerry Hansen (27 wins in 37 starts)
61.1% - John Heinricy (11 in 18)

Pole Percentage (Minimum 10 starts)
67.6% - Jerry Hansen (25 of 37)
61.5% - Warren Stillwell (7 of 13)

MAJOR CLUB RACING AWARDS

THE PRESIDENT'S CUP

The cup was donated in 1954 by R.W. Woodruff, President of Coca Cola Co., Atlanta, GA. The inaugural presentation in 1954 was made personally by President Dwight D. Eisenhower.

The recipient is selected by the Stewards of the Meeting and the Chief Steward at the Runoffs. The award goes to the driver best demonstrating ability, competitiveness and success at the National Championship event.

Beginning in 2008, the President's Cup was presented at the SCCA National Convention.

Aimee Hubiak and Betsy Banner - T&S

**USE YOUR
MOTORHEAD**

GUMOUT

SCIENCE VS. HYPE.

Gumout Regane® helps get rid of gunky buildup, restoring lost fuel economy and engine performance.

Without Gumout,® gunky buildup collects in fuel passages and injectors, which can cause poor combustion.

***GUMOUT REGANE® COMPLETE
FUEL SYSTEM CLEANER CUTS
FUEL ECONOMY-ROBBING
DEPOSITS BETTER THAN
THE LEADING BRAND.***

10X the detergent

Cleans 6 of 6 fuel
system parts

Remains effective
for 10 fill-ups

USE YOUR MOTORHEAD. DRIVE SMARTER.

GIVE YOUR BEST LAP TIME THE BEATING
IT SO RICHLY DESERVES.

g-Force™ R1™

Great lap times aren't trophies — they're targets. The BFGoodrich® g-Force™ R1™ helps you knock down your times with performance that inspires confidence, even at the limits of grip. It's as close to a pure racing tire as a DOT street-legal tire can be. To make the most of every lap, upgrade to a set of R1s. Visit bfgoodrichtires.com to learn more.
